International Faculty Development at South Dakota State University

Dr. Karl J. Schmidt
Director of International Affairs
Associate Professor of History
SDSU has exchange relationships with most of its international partners, allowing faculty to visit or exchange for short or long periods of time.

Faculty members can also attend learning seminars.

**Learning Seminar:** University of Hyderabad, India or through our membership in the Council on International Educational Exchange (CIEE)
Faculty Development Seminar on India

- Originally developed in 2000
- Brought to SDSU in 2003
- Host in India is the University of Hyderabad
The Seminar Experience

- Seminar is 2-weeks in length
- Focus is on contemporary India
- Designed for non-India specialists in any field
- Format consists of 3-hour morning lectures (with Q&A), followed by afternoon site visits to relevant locations or interactions with UofH faculty members
Seminar Lectures (2007)

- Lectures vary from year-to-year, depending upon the mix of faculty in a given year
  - Higher Education in India
  - Modern Indian History
  - Physical and Cultural Geography of India
  - Agrarian India
  - Indian Politics
  - Anglo-Indian Literature
  - Indian Art and Popular Culture
  - Gender Issues
  - Folk Culture
  - Science and Technology
