

WRGP

Western Regional Graduate Program

What is WRGP?

The Western Regional Graduate Program (WRGP) is a tuition-savings program that makes out-of-state graduate studies more affordable for students. Through WRGP, you receive a reduced tuition rate, giving you more education options for your money. **Virtually hundreds of graduate programs are available.**

How does WRGP work?

Participating public universities located in WICHE member states and territories agree to charge out-of-state students no more than 150 percent of the institution's in-state tuition. Most institutions' WRGP rate is equivalent to resident tuition. Tuition savings may vary depending on the graduate program. **The bottom line: You save big with WRGP and almost always pay less than out-of-state tuition.**
